

What is the JDS?

To support for Human Resource Development

JDS's objective is to strengthen the government's administrative capacities in Pakistan, through providing the opportunity to obtain the Master's degree to the young capable government administrators who are expected to engage in formulating and implementing social and economic development plans and to play a leadership role in the development of the country.

To Enhance Bilateral Relationships

JDS fellows are expected to solidify foundations to further bilateral relations with Japan by utilizing their human network developed through academic and social activities while in Japan.
