INTERNATIONAL GRADUATE PROGRAM

Let's Study in UTokyo!!

Department of Civil Engineering, the University of Tokyo – *UTokyo* – is offering an international graduate program with the following key features:

- All classes are provided in English
- Immediate enrollment in a degree program
- Full scholarship support
- Huge international alumni network
- Opportunity to study in one of the top departments in the world

→ For more information about the features, see the next page.
← To find out how to apply, see the last page.

Key Features of the Program

All classes are provided in English!

Lectures and research supervision are all given in English. In our department there are, in total, 40 lectures provided in English in the fields of infrastructure management, regional planning, transportation engineering and planning, environmental engineering, coastal engineering, hydraulic and water resources engineering, geotechnical engineering, concrete engineering, structural engineering, disaster mitigation engineering, spatial information science, and international projects. Students can also take courses offered in English by other related departments. In total, you will have over 100 lectures to choose from.

Immediate enrollment in a degree program!

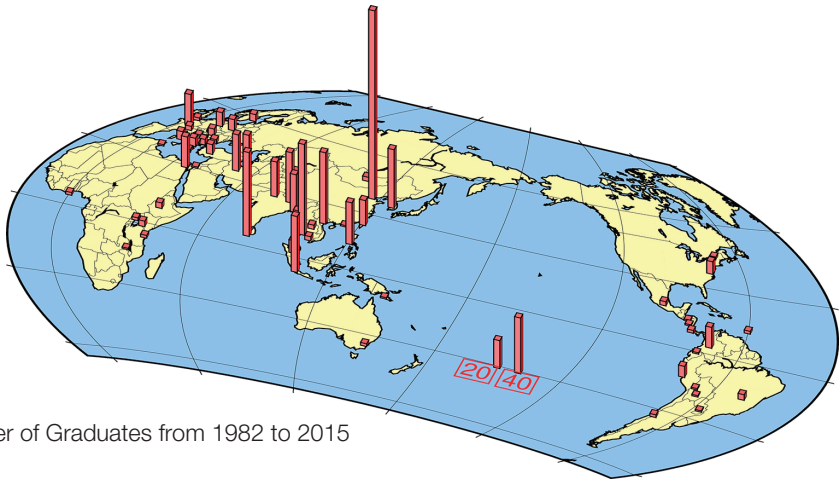

You will be enrolled as a full-time graduate student immediately after arrival in Japan, and can earn a higher degree within two years for Master’ s and three years for Doctoral degrees.

Full scholarship support!

- Scholarships for approximately 30 students are provided every year mainly by:
- The Japanese government, Ministry of Education, Culture, Science, Sports and Technology (MEXT), and
 - Asian Development Bank (ADB).

Huge international alumni network!

More than 800 international students have completed our graduate program since 1982. And we have founded a web-based Civil Engineering Alumni Network (CEAN), to encourage communication between our alumni all over the world.

Opportunity to study in one of the top departments in the world!

Our department is ranked in the top category in the QS World University Ranking by Subject (Civil & Structural Engineering).

Support Systems for International Students

Our department has set up effective support systems to help students during their studies at *UTokyo*. The Foreign Student Office, Japanese Language Classes, tutors and host families all assist international students at various stages, both inside and outside the university.

- **Foreign Student Office (FSO)**
provides support with administrative procedures and accommodation arrangements.
- **Japanese Language Classes (JLC)**
provide beginner's courses, run by professional instructors.
- **Tutors (senior graduate students)**
help you to start up your campus life.
- **Host Family Program**
gives you opportunities to gather with a Japanese host family to learn more about Japanese culture.
